

SAMPLE LETTER 3

Instructions

This sample is provided to help you reach the proper city staff regarding the proposed Home Depot at 16830 Devonshire St, Granada Hills, CA 91344. We recommend using Email as it leaves an electronic trail whereas a letter may be lost or not routed to the proper individuals. It is also helpful if you include us (CC). That way, we have a record that you sent a letter and we can also track the issues that are important to you.

The wording is provided as a guide to include information to establish who you are and where you live. This is to help distinguish your Email from those generated by automated Spambots so it has an impact. Feel free to reword it as you see fit.

We should also note that you are free to send a letter of support for the project should you desire to do so.
